

Disclosures & Schedule Of Fees for Commercial Accounts

Effective March 2010

Schedule of Fees on Commercial Accounts

Balance Information - Balance requirements to avoid service fees refer to minimum average daily (ledger) balance.

Federal Deposit Insurance Corporation (FDIC) Assessment - Assessment per \$1,000 average collected balance based on the rate set by the FDIC.

Interest and Other Information for Checking, Savings & Money Market Products

Rate Information - Current interest rates and Annual Percentage Yields (APY) are available at any of City National Bank of Florida's banking locations or by calling 1-800-435-8839.

Variable Rates - All interest bearing checking, savings, and money market deposit accounts earn a variable rate of interest. At our discretion, the interest rate and APY may change at any time.

Compounding and Crediting - Interest on all interest-bearing checking, savings and money market accounts is compounded and credited monthly.

Balance Computation Method - We use the daily balance method to calculate interest; this method applies the daily periodic rate to the bank collected balance in the account each day. See note 7 for Commercial Money Market Gold and IOTA Interest Checking Account variance from above.

Non-Cash Deposits - If you deposit a non-cash item, such as a check, interest will begin to accrue no later than the business day the bank receives provisional credit for the deposit.

Transaction Limitations for Savings and Money Market Accounts - Federal regulations impose restrictions on the number of transfers or withdrawals that can be conducted from Savings and Money Market Accounts. **Legal Limit:** No more than six transfers or withdrawals, or a combination of such transfers or withdrawals per monthly statement cycle, to another account (including a transaction account) of the depositor at City National Bank of Florida or to a third party by means of a pre-authorized or automatic transfer (ACH, telephone, internet banking, overdraft protection, etc.) or withdrawals by check, draft, debit card, or similar order made by the depositor and payable to third parties. If you exceed these limitations you will be charged an excess activity fee of \$10 per transaction over the Legal Limit and your account may be converted to a transaction account.

Earnings Credit - City National Bank of Florida offers an earnings credit to offset service fees. Where applicable, this earnings credit is calculated on the average customer collected balance in your account, less reserves as set by the Federal Reserve Board. The credit may partially or completely offset the service fees incurred by your account. Actual fees charged are reflected on your Detailed Account Analysis statement and said statement may be provided upon request.

Checking Products

Regular Commercial Checking Account

If Transactions Exceed the Legal Limit, each.....	\$10.00

Interest and Other Information for Certificates of Deposit

Rate Information - Current interest rates and Annual Percentage Yields (APY) are available at any of City National Bank of Florida's banking locations or by calling 1-800-435-8839. The APYs quoted on all Certificates of Deposit assume interest remains on deposit until maturity. A withdrawal will reduce earnings.

Fixed Rates - All Certificate of Deposit accounts earn a fixed rate of interest, which is set at the opening of the account. If a Certificate of Deposit is automatically renewed, the rate will be fixed on the renewal date for the renewal term.

Compounding and Crediting - For Certificates of Deposit with terms up to and including 90 days, interest is paid at maturity by check, transferred to another account or added to the account. For certificates with terms greater than 90 days, but less than 1 year, the interest may be paid monthly, quarterly, or at maturity. These payments may be made by check or credited to another account. Interest may only be added on to the account for payments made at maturity. For certificates with maturities of 1 year or more, the interest may be paid monthly, quarterly or annually by check or transferred to another account. For certificates with maturities greater than one year, which do not distribute interest otherwise, interest will be compounded and credited to the certificate annually.

Balance Computation Method - We use the daily balance method to calculate interest; this method applies the daily periodic rate to the bank ledger balance in the account each day.

Automatic Renewal - Your Certificate of Deposit is automatically renewable unless otherwise stated on the account disclosure provided to you at account opening. You will have ten (10) calendar days from the maturity date to withdraw your funds without being charged an early withdrawal penalty. If you withdraw funds during the grace period, interest will not accrue. If your account disclosure indicates that your Certificate of Deposit is not automatically renewable, interest will not accrue after maturity.

Transaction Limitations - After your Certificate of Deposit account is opened, you may not make additional deposits to your account. Withdrawals made prior

to maturity will be assessed an early withdrawal penalty. Partial withdrawals on Certificates of Deposit are not allowed.

Early Withdrawal Penalties - If there are any withdrawals of funds deposited into a Certificate of Deposit prior to the maturity date, an early withdrawal penalty will be assessed as stated below.

Term	Penalty for funds withdrawn within the first six days after the date of deposit:	Penalty for funds withdrawn subsequent to the first six days after the date of deposit:
Seven days up to and including six months	Seven days simple interest that could have been earned on the amount withdrawn	One month simple interest earned or that could have been earned on the amount withdrawn
Greater than six months up to and including one year	Seven days simple interest that could have been earned on the amount withdrawn	Three months simple interest earned or that could have been earned on the amount withdrawn
Greater than one year	Seven days simple interest that could have been earned on the amount withdrawn	Six months simple interest earned or that could have been earned on the amount withdrawn

Where necessary to comply with the requirements of imposing any of the aforementioned penalties, a portion of the principal may be forfeited if the certificate has not earned sufficient interest prior to the withdrawal or interest has previously been paid to the owner.

The Bank is required to honor a request for withdrawal prior to maturity, without assessing a penalty, in the event of the death or judicially declared mental incompetence of the owner of the account. The Bank will not assess an early withdrawal penalty on Certificates of Deposit which are being held as part of an IRA Plan at the Bank, if the owner has attained the age of 59 1/2 or becomes disabled. For specifics on this product, refer to IRA disclosure available at the banking offices.

Regulatory Information Affecting Commercial Accounts

In accordance with Regulation GG (promulgated pursuant to the Unlawful Internet Gambling Enforcement Act of 2006), you agree that by establishing a City National Bank of Florida (CNB) account, you certify that: (i) you shall not conduct "restricted transactions" (as defined below) through any CNB account, (ii) you do not engage in unlawful internet gambling, and (iii) you agree to be bound by the terms of CNB's Deposit Agreement. A "restricted transaction" is a transaction or transmittal involving any credit, funds, instrument, or proceeds in connection with any person engaged in the business of betting or wagering or in participation with another person involving unlawful Internet gambling. You acknowledge that CNB will take action to restrict such transactions or close the account, if necessary.

Other Commercial Services

City National Bank of Florida offers a variety of other services for its commercial customers, including cash management services, lock box services, international banking and repurchase agreement accounts. Disclosures and fees for these services are available by contacting your City National Bank of Florida bank representative.

Notes

1. If you close your account before interest is credited, you will not receive the accrued interest. The account is restricted to the following types of entities: not-for-profit organizations, religious, charitable, and education organizations, sole proprietorships, not-for-profit political organizations and homeowners associations.
2. If your daily ledger balance falls below \$100,000.00, you will earn the applicable rate. Attorney's Trust Accounts participating in the Florida Bar Association Program are eligible to maintain an IOTA account. All maintenance fees are reimbursed by the Florida Bar Association.
3. And any fraction thereof.
4. Transaction items include but are not limited to deposit tickets, checks paid (including electronic payments), deposited items (branch and remote deposit capture), withdrawals and ACH debits.
5. Transaction fees in excess of 200 will be reflected on your monthly statement as a "maintenance fee".
6. If your collected balance falls below \$3,500.00, you will earn the applicable rate.
7. The daily periodic rate is applied to the ledger balance from the day of deposit on Money Market Gold and IOTA Interest Checking Accounts.
8. No interest will be earned if the balance falls below the minimum required collected balance.
9. Percent of amount for transactions done outside the U.S. whether foreign currency is converted or not.
10. A fee may be imposed for covering overdrafts created by check, in-person withdrawal, ATM withdrawal, or other electronic means, as applicable. Such fees will be represented as Overdraft Fees on the periodic statement.
11. Contents of safe deposit boxes are not insured by the FDIC.
